

Grainthorpe Parish Council Meeting

Wednesday 10th July 2019, 7.30pm, at the Methodist Chapel Schoolroom

Minutes

Present: Councillor Bark, Pridgeon, West, Jones, Lovatt, Jackson, Drinkel and County Councillor McNally

1. Apologies were received and accepted from District Councillor Rickett
2. The minutes of the meeting held on Wednesday 8th May 2019 were received, approved and signed by the Chair as a true and accurate record.

3. Matters Arising:

Hedge Biergate

Verbal complaints have been received. Advice taken from County Councillor McNally. Highways to be contacted. Previous emails to be sent to County Councillor McNally.

Mill Lane

Hedge on the little footpath needs to be cut. Waterloo Housing to be contacted.

Noticeboard Letters

Councillor Hibberd has looked in to potential companies to complete the work. The work seems relatively complicated for what is required, with one quote received for £139. Other suggestions were to purchase letters from Boyes. Alternative options to be pursued.

4. Parish Matters:

Electronic Communications

Letter from East Lindsey was circulated prior to the meeting. There are still a number of parish councillors that do not have access to IT. Contact East Lindsey to supply a projector. The issue with this is the timing of meetings and planning applications received. Paper copy vote was unanimous.

Eleemosynary Trustees

The Parish Council unanimously approved Mrs Hutchinson as Trustee for the Eleemosynary Charity.

5. County Councillor

Church Sign

Incorrect form has been sent; County Councillor McNally has the new form. It is possible to have a new black and white sign, at a cost, however can still apply for a brown sign. County Councillor to provide the contact details for the brown sign to Parish Councillor Drinkel.

Peer Review

Independent review from another county. Highlight the what is done well and what isn't.

Community Led Housing

If feel that is needed in the area there is a number to contact. There was not enough local people to allocate the housing on Mill Lane, so it was thought no further housing would be required.

So Festival

Starts in Mablethorpe in August.

Wainfleet Flooding

Have been heavily involved. If internal flooding to properties County Council have to complete and investigation. This has been passed to an external agency.

Dinosaurs coming to the Collection at Lincoln from the Natural History Museum.

No 5 Chapel Lane

Parking on the pathway is a police matter. However, photographs are not acceptable they have to see the offending vehicle. There are a number of mobility scooters, young families who are having to use the road.

Speed Sign

District Councillor Rickett suggested moving the 40-mph sign moved from its current position on Wragholme Road to the Firebeacon junction. Parish Councillors feel the public would not slow down any more than they already do. This is the same at the other end of the village at the Fen Lane, Church Lane crossroads. Recommendations from the inquest should be taken in to account.

6. District Councillor
See item 5.

7. Planning:

Planning Permission – Change of use of existing grass amenity area into a children’s play and entertainment area used in connection with the existing ice cream parlour, restaurant and gallery and siting of play equipment. CAR PARK ADJACENT, APPLEBY’S ICE CREAM PARLOUR, MAIN ROAD, CONNISHOLME

The plans were reviewed at the meeting. No objections. Observation – is there actually 50 parking spaces, will the wildlife area be used for extra parking. Parish Councillors feel lack of parking could become an issue with parking on the road. Concerns regarding the volume of traffic. Is the road signage adequate?

8. Finance:

10. Any Other Business.

PCSO

Report from the PCSO read at the meeting. No concerns were raised. Possible promotion of Selecta DNA in the Grainthorpe News. Possibility of offering a drop-in session at school where there are captive parents.

Training

Training events to be offered to Parish Councillor West – LALC may be holding a new councillor event at North Somercotes.

Advertising

Events can be advertised via LALC. This information has been passed to GFA.

Approval of Reserved Matters

There is none of the information regarding traffic management during the construction phase that was in the original application. There are a number of other issues missing. Parish Councillor Hibberd to contact the planning department.

Public Footpaths

Who is responsible for a pathway running through a resident's property? Public footpaths are the responsibility of the Highways department. The footpath in questions is at the end of High Bank House to the footpath that comes out in Butt Gate. Jonathan Stockdale to be contacted.
